**INSTRUCTIONS FOR COMPLETING
AN APPEAL TO THE BOARD OF REVISION
DTE FORM 1 (REVISED 01/02)
“COMPLAINT AGAINST THE VALUATION OF REAL PROPERTY”**

NOTE: Please read these instructions carefully, there are portions of the form if not filled out correctly may cause the dismissal of the case. *Also read the “Board of Revision Rules of Procedure” for very important information.*

- Neatly type or print all information.
- Please read the Board of Revision Rules of Procedure rules completely.
- Carefully read the instructions on the back of the complaint form, as well as these instructions.
- A complaint may be dismissed if the information is not filled in completely.
- A complaint is heard on the market value of the property, as of tax lien date, not the tax dollars paid.
- Any information submitted with your complaint becomes part of the permanent record.
- Notices are sent by certified mail, general mail or email to all parties listed on the complaint form, as well as those listed on any counter-complaint.
- Filing deadline is March 31st according to Ohio Revised Code 5715.19. The Board of Revision deems it necessary to have a start date for filing complaints on January 2nd. Any filings prior to January 2nd may be based on values unapproved by the Ohio Department of Taxation. These unapproved values may be subject to change prior to January 2nd depending on Department of Taxation requirements.
 1. Make sure the completed DTE-1 is delivered to the Ottawa County Auditor’s Office or post marked by the U.S. Postal Service by closing on March 31st. Mailing and Transmitting information are included at the end of this document.. **If March 31st falls on a weekend, the deadline will be moved to the following Monday**.
- If the stated amount of increase or decrease (Section 8, Column D, “Change in Taxable Value”) is at least \$17,500 or greater, a notice is sent to the affected board of education. The board of education then has an opportunity to file a counter-complaint, if they disagree with your opinion of value.
- Evidence of valuation must relate to the total of the parcel(s) of property listed on the complaint form (land and improvements). For example: if it is your opinion that the land is over-valued and the buildings have a correct or low value, both equaling an acceptable total value, it shall not justify a reduction.
- The Board of Revision may increase, decrease or maintain the total value of any parcel(s) listed on the complaint form.
- The Board of Revision will notify all parties to the complaint not less than ten (10) days prior to the hearing. The notice will include the date, time and place of the hearing.
- Please call (419) 734-6863, (419) 734-6865 or (419) 734-6744 if you have general questions regarding instructions. Please note we cannot advise you on legalities or the amounts you need to complete the form. There are detailed rules and instructions included for guidance.

The following will assist you in completing the form:

 - For manufactured home complaints you are paying taxes for current year, which actually means the year of the filing. For example: in 2019 you are paying taxes for 2019, therefore 2019 is the correct current tax year.

**BOARD OF REVISION
RULES OF PROCEDURE**

The Board of Revision hereby enacts the following as its Rules of Procedure pursuant to the Ohio Revised Code (ORC) 5715.02 et seq. and HB294 § 323.66.

***NOTE:** Please read these rules carefully, there are portions of the process if not done correctly may cause the discharge of the case or the exclusion of evidence. These rules may change from year to year. It is not the responsibility of the Board of Revision to provide evidence or testimony that supports the Ottawa County Auditors value. The burden of proof is always the complainant's responsibility.*

NOTICE:

- A. The county board of revision shall not decrease any valuation unless a party affected thereby or who is authorized to file a complaint under section 5715.19 of the Ohio Revised Code makes and files with the board a written application therefore, verified by oath, showing the facts upon which it is claimed such decrease should be made. [Ohio Revised Code 5715.13]
- B. The County Auditor, as Secretary of the Board of Revision, shall give notice of each complaint in which the stated amount of increase or decrease is at least \$17,500 to each board of education whose school district may be affected by the complaint. [ORC 5715.19(B)]
- C. Within thirty (30) days after receiving such notice, a board of education may file a counter-complaint in support of, or objecting to, the amount of increase or decrease in value as stated on the original complaint [ORC 5715.19 (B)]. The board of education filing a counter-complaint is requested by the Board of Revision to provide service to the original complaining party.
- D. Upon filing a counter-complaint, the board of education shall be made a party to the complaint.
- E. If the board of education files the original complaint, the owner shall be notified and shall automatically be made a party to the complaint.
- F. If the Board of Education is a party to or files an original complaint and they or the home owner decide to negotiate or mediate a reasonable settlement, it must be done and submitted to the Board of Revision at least five (5) days prior to the scheduled hearing date.
- G. All cellular phones are to be turned off during the hearing, unless reasonable cause is provided at the beginning of the proceedings. If reasonable cause is approved, the cellular phone must be place on vibrate mode.
- H. The Board of Revision only has authority over establishing the true total value of a property [Ohio Revised Code 5715.10]; **they cannot hear a case based on taxation issues.**
- I. Filing deadline is March 31st according to Ohio Revised Code 5715.19. The Board of Revision deems it necessary to have a start date for filing complaints on January 2nd. Any filings prior to January 2nd may be based on values unapproved by the Ohio Department of Taxation. These unapproved values may be subject to change prior to January 2nd depending on Department of Taxation requirements.
- J. It is the intent of the Board of Revision to complete all hearings and rescheduled hearings by August 31st of every year.
- K. It is the complainant's responsibility to pick up certified mail when, or if a notice is received from the Postal Service. Complainants who do not pick up their certified mail risk a no value change decision of their cases for failure to appear, and/or the loss of appeal rights for failure to timely file an appeal of their Board decision.
- L. The complainant may voluntarily withdraw a complaint by filing a written notice of withdrawal at any time before the commencement of the hearing. A voluntary withdrawal of an original complaint shall not affect the validity of a timely filed counter-complaint.
- M. The Board of Revision reserves the right to maintain control of the length of each hearing and to limit extraneous commentary. This helps to assure that complainants scheduled throughout the day are not kept waiting.
- N. The Board need not consider any document or exhibit not specifically enumerated in these rules and which is offered for purposes of the hearing and has been prepared by a person not present at the hearing and capable of being cross-examined by the Board.
- O. **NOTE: THE BURDEN OF PROOF IS ALWAYS ON THE COMPLAINANT.**

I. APPEARANCE BEFORE THE BOARD OF REVISION

- a. Any person who is a party to the complaint may appear.
- b. Attorneys representing a party to the complaint shall not be permitted to testify or appear in any capacity other than that of counsel. For an expert witness to provide testimony or evidence, the owner of the property or an attorney representing the owner must be present at the hearing.
- c. All agents (or other representatives) presenting evidence to the Board of Revision shall submit a copy of their contract with the owner as a part of the evidence of the case.
- d. Any individual relying on a document prepared by an independent appraiser or expert witness shall require that individual to be present at the hearing to testify before the Board of Revision. The Board of Revision shall not rely solely on the document itself, and may question the individual regarding the appraisal or exhibits, which have been submitted.
- e. Any document submitted as evidence, other than those stated herein, that was prepared by an individual not present at the hearing shall not be considered because the individual cannot be questioned by the Board. [Ohio Rules of Evidence Rule #602]

II. WITNESSES AND TESTIMONY

- A. The Board of Revision may call persons before it and examine them under oath as to their own or another's real property to be placed on the tax list and duplicate for taxation, or the value thereof. [ORC 5715.10]
- B. If a person notified to appear before the Board of Revision refuses, or neglects to appear at the time required, or appearing refuses to be sworn or answer any question put to him/her by the Board or by its order, the Board of Revision shall make a complaint thereof in writing to the probate judge of the county. [ORC 5715.10]
- C. Any witness who shall be giving expert testimony on the complaint must be qualified as an expert [Ohio Rules of Evidence #701, #702 and #703].
- D. Testimony as to comparable properties, their values, and recent sales values shall be considered expert verification, and may only be presented by expert witnesses properly qualified as provided herein. Mere testimony that a certain property was transferred on a certain date for a certain price may be submitted to the Board of Revision in the form of certified copies of transfer deeds, or through any other acceptable form of evidence contemplated under Ohio Rules of Evidence. However, the Board of Revision shall not consider them as comparable sales without expert opinion testimony indicating how they are comparable.

A complainant party's attorney may not appear in lieu of the owner to provide testimony. The owner may only express the owner's opinion of value. An appropriate expert accompanied by the owner or an attorney, may testify about his/her opinion of value.

Questions about your specific situation must be directed to your attorney.

(Please also see Section II Article B.)

III. EVIDENCE OF VALUATION

- A. Evidence of valuation must relate to the total value of both land and improvements.
 - For example: if it is your opinion that the land is over-valued and the buildings have a correct or low value, both equaling an acceptable total value, it shall not justify a reduction.
- B. The Board of Revision may increase, decrease or maintain the total value of any parcel included in the complaint.
- C. Evidence presented must have a valuation date of January 1st as of the year entered on the DTE-1 form "Tax Year" space.
- D. The owner's opinion of value shall be supported by documented facts.
- E. The documentation would include evidence that supports changes in physical data, comparable sales that are physically similar and near the subject or provide a timely appraisal (please see this Section, Article "C") done by a licensed appraiser (please also see Section "II" Item "D". Also in Section "I", Appearance before the Board of Revision, "e", also section "V" Submitting Evidence to the Board of Revision, all Items). The documentation may also include evidence of personal property included in the transaction.
 - Labeled photos and a sketch may support physical data changes.
 - Comparable sales must be "Arm's Length Transactions" as prescribed by the Ohio Revised Code Section 5713.03.
 - The Ottawa County Auditors appraisal procedure follows the Ohio Revised Code, the International Association of Assessing Officers and the Appraisal Institutes definition of an "Arm's Length Transaction" which includes a buyer and seller that are

typically motivated; both parties are well informed or well advised with each acting as they consider in their own best interests; both parties are unrelated or strangers and a reasonable time is allowed for exposure to the open market. NOTE: The price for which such real property would sell at auction or forced sale shall not be taken as the criterion of its value [Ohio Revised Code 5713.04].

- *Personal property included in the transaction may consist of but not limited to; appliances, boats, autos or furniture. You must disclose the negotiated value of these items and/or provide a chattel deed, and/or the appraisal done for the purchase which should indicate the difference between the aggregate sale price and the actual value of the real property. (Ohio Supreme Court Decision 2013-Ohio-3028)*
- F. Newspaper articles often do not constitute the best evidence and care should be taken to use original sources when possible.
- G. Hearsay evidence is a statement by one person as to what another person says or thinks. Any testimony must be relative and drawn from a person with actual and personal knowledge of these matters in order to present this evidence before the Board of Revision. [Ohio Rules of Evidence Rule #602]
- H. The Board of Revision may not accept hearsay evidence in the form of documents or oral testimony. The following types of hearsay are suspect:
 - The terms and conditions of a sale or the motives of the parties to the sale
 - The owner's opinion of the value of the property offered by someone other than the owner
 - Unsupported financial data
 - Unsupported information concerning the condition or operations of the property

IV. SUBMITTING EVIDENCE TO THE BOARD OF REVISION

- A. A party to the complaint intending to introduce evidence involving expert opinion should file with the Board of Revision a summary of that opinion and a summary of the expert's qualifications no less than ten (10) days prior to the hearing date.
- B. If an appraiser will testify, a copy of the appraisal should be filed with the DTE-1 or no less than ten (10) days prior to the hearing date. A copy of the appraisal shall also be served upon other parties to the complaint.
 - Please see section "II" Items "D" & "E", if an appraisal is or will be submitted the appraiser must appear at the hearing to testify. (Please also see Section "II" Article "B".)
 - When the appraisal is submitted prior to the hearing it expedites the process allowing a thorough review of the evidence. This allows the Board to consider the information enabling them to ask appropriate questions of the appraiser.
 - If the appraisal or other proof of value is not received by the appointed time, it may result in the evidence not being a part of the complaint.
- C. If adequate, appropriate and compelling evidence is provided with the initial filing; the Board of Revision may agree with the need for a value adjustment and send an "Offer to Settle". This offer may or may not match the submitted opinion of value; you must indicate if you accept or do not accept the offer on the decision form and return it to the County Auditor's office. If you disagree and do not accept the offer you will be scheduled for hearing.
- D. The Board of Revision may request additional information at the hearing or by written notice after the hearing. In unusual cases, if needed, an additional hearing may be scheduled. This will only be based on the clarification requirements of the Board. If a second hearing is required it will be at the sole discretion of Board of Revision and shall not be initiated by requests from complainants. NOTE: All additional evidence must be submitted within 10-business days of the date of request.
- E. A complainant shall provide to the Board of Revision all information or evidence within the complainant's knowledge or possession that affects the real property that is the subject of the complaint. A complainant who fails to provide such information or evidence is precluded from introducing it on appeal to the board of tax appeals or the court of common pleas, except that the board of tax appeals or court may admit and consider the evidence if the complainant shows good cause for the complainant's failure to provide the information or evidence to the board of revision. [Ohio Revised Code 5715.19G]
- F. For income-producing, commercial or industrial property the Board of Revision requests the following information be submitted five (5) days prior to the hearing date:

- Physical data:
 - A description of the improvements to the property, including age, construction, size, mechanical equipment, use and functional adequacy.
 - Any changes in the condition of the property occurring or completed within the last three (3) years (such as new construction) together with the actual cost of any new improvements and the date completed.

- C. Along with the notice a copy of these rules shall be provided to each party of the complainant.
- D. The Board of Revision shall grant one (1) request for a reschedule of the hearing date from the original complainant and the counter-complainant. This request for reschedule shall be in writing (include telephone number), either mailed, emailed, or faxed to the County Auditor so it arrives in the County Auditor's office at least five (5) days prior to the scheduled hearing date.
- E. The Board of Revision shall consider additional requests for reschedule of the hearing date from the original complainant and counter-complainant. These further requests must be based upon merit. The Board of Revision shall consider the facts of each situation and render a decision as quickly as possible. In the instance of verified serious illness the Board of Revision shall reschedule another hearing date, provided reasonable notice is given.
- F. All hearings shall be open to the public.
- G. Failure to appear before the Board of Revision at the schedule hearing time and date shall constitute failure to prosecute and is grounds for a no change ruling to the complainant's value.

VI. RECORD

INSTRUCTIONS FOR COMPLETING FORM

FILING DEADLINE: A COMPLAINT FOR THE CURRENT TAX YEAR MUST BE RECEIVED BY THE COUNTY AUDITOR ON OR BEFORE MARCH 31 OF THE FOLLOWING TAX YEAR. A COUNTER-COMPLAINT MUST BE FILED WITHIN 30 DAYS AFTER RECEIPT OF NOTICE FROM THE AUDITOR THAT AN ORIGINAL COMPLAINT HAS BEEN FILED.

WHO MAY FILE: Any person owning taxable real property in the county, the board of county commissioners, the county prosecutor, the county treasurer, the board of township trustees of any township with territory in the county, the board of education of any school district with territory in the county, or the mayor or legislative authority of any municipal corporation with territory in the county may file a valuation complaint.

TENDER PAY: If the owner of a property files a complaint against the valuation of that property, then, while such complaint is pending, the owner is entitled to tender to the county treasurer an amount of taxes based on the valuation claimed for such property in the complaint. NOTE: If the amount tendered is less than the amount finally determined, interest will be charged on the difference. In addition, if the amount finally determined equals or exceeds the amount originally billed, a penalty will be charged on the difference between the amount tendered and the final amount.

MULTIPLE PARCELS: Only parcels that (1) are in the same taxing district and (2) have identical ownership may be included in one complaint. Otherwise, separate complaints **must** be used. However, for ease of administration, parcels that (1) are in the same taxing district (2) have identical ownership, and (3) form a **single economic unit should be included in one complaint**. The increase or decrease in valuation may be separately stated for each parcel or listed as an aggregate sum for the economic unit. If more than three parcels are included in one complaint, use additional sheets of paper.

GENERAL INSTRUCTIONS: Valuation complaints must relate to the **total value** of both land and buildings. The Board of Revision may increase or decrease the total value of any parcel included in a complaint. The Board will notify all parties not less than ten days prior to the hearing of the time and place the complaint will be heard. The complainant should submit any documents supporting the claimed valuation to the Board prior to the hearing. The Board may also require the complainant and/or owner to provide the Board additional information with the complaint and may request additional information at the hearing, including purchase and lease agreements, closing statements, appraisal reports, construction costs, rent rolls, and detailed income and expense statements for the property. Section 5715.19(G) provides that "a complainant shall provide to the Board of Revision all information or evidence within his knowledge or possession that affects the real property" in question. Evidence or information that is not presented to the Board cannot later be presented on any appeal, unless good cause is shown for the failure to present such evidence or information to the Board.

INSTRUCTIONS FOR QUESTION 10, if property was sold in the last three years, attach the purchase agreement, escrow statement, closing statement, or other evidence if available. If the buyer and seller were or are related or had any common business interests, attach an explanation. If any other items of value were included with the sale of the real estate, attach a description of those items. Show the value of those items and explain how the values were determined.

NOTICE: R. C. 5715.19, as amended by H. B. 694, effective March 30, 1999, added some additional persons who may file a valuation complaint. Those additional persons are (1) the owner's spouse, (2) an appraiser who holds a designation from a professional assessment organization retained by the owner, (3) a licensed public accountant, a licensed general or residential real estate appraiser, or a licensed real estate broker retained by the owner, (4) an officer, salaried employee, partner, or a member of an owner, if the owner is a firm, company, association, partnership, limited liability company, or corporation, and (5) a trustee, if the owner is a trust. Since that statute has been declared to be unconstitutional by an Ohio court of appeals, the Board of Tax Appeals and many county Boards of Revision have been dismissing complaints filed by those individuals, if they are not attorneys at law. Please be advised that if you choose a non-attorney to prepare and file your complaint, it will be subject to dismissal and may not be heard on its merits. NOTE: Amended by 129th General Assembly File No. 141, HB 509, § 1, eff. 9/28/2012. See Board of Revision "Rules of Procedure" Section 9 or ORC 5715.19 (1) (f).
